

STS Thanksgiving STEM Challenge!

St. Therese Students are going to embark on a fun Thanksgiving STEM Challenge But we need your help!

We need materials to make this a success! If you could send in 1-2 materials from the list below, it would be greatly appreciated. We plan to build during next week and challenge each other the following week before Thanksgiving break.

Materials Needed:

- binder clips
- bottled water (for testing/not drinking)
- cable ties
- candy corn/candy pumpkins (for testing/not eating)
- cardboard
- clay
- clothespins
- coffee filters
- craft sticks
- foil sheets
- index cards
- paper plates
- paperclips
- pipe cleaners
- plastic spoons
- play-doh
- Q-tips
- rubber bands
- small cups
- straws
- string
- tape
- toothpicks
- twine
