

St. Therese School will be  
collecting empty pill bottles to  
help those in third world  
countries!

Please send in any used prescription bottles to  
Ms. Taylor. Please remember to take off the  
label before sending them in! The bottles will be  
sent to third world countries so people can bring  
home their medications safely after seeing the  
doctor.

If you have any questions, please email  
Ms. Taylor at:
