At The Little Gym of Roxbury, our environment is fun, but our purpose is serious. That's why we embrace a proprietary philosophy called Three-Dimensional Learning, in which physical activity is a conduit for nurturing your whole child.

The Three-Dimensional Learning approach to skill development means that every class we offer fosters growth in three holistic dimensions—*Brain Boost!*, *Get Moving!* and *Citizen Kid!*.

We have gymnastics, dance, karate, and music Classes for kids ages 4 months to 12 years old.
