

2019 TRICKY TRAY SOLICITORS NEEDED

ST. THERESE SCHOOL – 135 MAIN STREET - SUCCASUNNA

FRIDAY, NOVEMBER 8 at 6:30 PM

Dear Parents,

2019 Tricky Tray planning has commenced! Our event would never be as much of a success without the help of our wonderful parents. This year we are doing things a bit differently, which is why we are in need of help so early!

Bringing people closer to God and each other for more than 50 years

We are searching for volunteers to join our soliciting committee ASAP. We have numerous new businesses, near and far, that we would like to reach in order to amp up our prize pools. Soliciting entails bringing our donation request letter to the business, leaving your contact information if a donation is not given on the spot, and following up if need be. If a business is further away, you could call and get the appropriate persons contact information and email them our donation request letter. We are looking for volunteers who can dedicate time to helping us get the right donations to make this year another fantastic event. We will run soliciting mid-April through August.

St. Therese School is a non-profit organization and all donations are tax deductible. Our Tax Exempt Number is 221-640-307/000

We are also in search of sponsors for this years event! If you have a business and/or you think your employer may be interested in sponsoring, please contact Kristen for a sponsorship form. With the help of last years sponsor, we were able to purchase several items in our top tier category! This year, we are looking to have multiple sponsors. We have 3 sponsorship levels to accommodate various business sizes/needs.

Please contact Kristen Sanford at kvignali@gmail.com or 862-215-6226 for more information.

Thank you for your time and consideration!
