Re: Memorial Day Project – Our Military / First Responders Wall of Heroes II

Based on the overwhelming response and positive comments on the Wall of Heroes we displayed during Catholic Schools' Week, Mrs. Guettler would like to repeat the Wall for Memorial Day. The Wall of Heroes highlights those in our STS families that have served or are currently serving our country / communities – parents, grandparents, siblings, cousins, friends, and so forth – either in the US Military or as a First Responder. To that end, attached is a simple writing prompt we are asking the children to complete and return to Mrs. Guettler (Grade 6, Paul George) by May 3rd.

Completed prompts along with photos you supply and attach (no bigger than 4x6 please) will be displayed in our school for Memorial Day. As we cannot guarantee the safe return of your pictures, copies, not originals, are recommended. Those Heroes that were previously displayed, will be posted again, as well.

Children are encouraged to join in this project and are welcome to complete as many prompts as they would like. Take time over the Easter recess to reach out to your Heroes, if possible, on the phone, in person, or perhaps through another family member or friend's memories. Stop in and take a look at our Wall of Heroes. I know with great participation, this will be a project to remember.

Thank you, in advance, for your contribution(s).

Mr. Tim Dunnigan
Principal St. Therese School
